Product features:

Manufacturer: Marburg

Collection: Crush Motion

Product attributes:**Product description:**

A pleated mural from the Crush Motion collection from German manufacturer Marburg inspired by the Land of the Rising Sun. The delicate and oriental pattern of characteristic bamboo trees giving the illusion of being painted in black ink will add peace, harmony and a unique atmosphere to the interior. The product is ideal as an accent wall in the living room or bedroom, adding a breath of fresh air to the room. The 2.1 m wide and 2.7 m high mural consists of 3 panels measuring 0.7 m x 2.7 m. To continue the pattern and create a complete image along the entire length of the wall the mural can be repeated, arranging the panels in the same order. The price quoted is for one mural, i.e. three panels. It is possible to order one panel measuring 2.70 cm high and 0.70 cm wide. To do so, please contact the studio by email.
