Product description:

The eye-catching pleated mural by Papis Loveday and produced by the German company Marburg from the Colors Of My Life collection will win the hearts of those who appreciate originality and unique style. Thanks to the foil decoration, the pattern captures and reflects light, giving the interior a unique character. The mural, 4.08 m wide and 2.70 m high, consists of 6 panels 0.68 m wide. The price quoted is for one mural, i.e. six panels. The high-quality mural on fleece backing is a Non-Woven product, making it easy to glue and easy to remove. Highly washable and resistant to sunlight.
