Product attributes:**Product description:**

Stunning in its simplicity, this mural pattern from the Pavilion collection by the English company 1838 Wallcoverings is inspired by the beauty of nature. Delicate magnolia blossoms at the ceiling and the floor creep towards each other. In addition, the motif has been enlivened with a pearlescent sheen. The mural will uniquely transform any interior, creating a modern or traditional effect. The 2.08 m wide and 3.00 m high mural consists of 4 52.00 cm wide panels. To continue the pattern and create a complete image along the entire length of the wall the mural can be repeated by arranging the panels in the same order. The price quoted is for one mural, i.e. four panels.
