Product description:

A modern modernist design in several colour versions. The spatial mural will create an amazing impression even in a small interior, optically enlarging it. Interesting and unobvious colour combinations will allow each customer to choose their favourite version. This product will satisfy the most demanding customers who appreciate modern design in line with current trends. The SkinWall collection is a collection of exceptional murals from young Italian designers. Excellent quality, a wealth of patterns and colours are the distinguishing features of these facings. Each is different and each is unique. Ideal for discerning customers who expect originality combined with very high quality material. The SkinWall mural will enrich any interior, whether classic or modern, turning it into a small, private work of art. Skinwall - unusual personalised artwork created to fit your individual wall. Choose from a variety of finishes, smooth interlining, linen-textured vinyl, opalescent vinyl, fibreglass (wood-resistant system for wet areas), wood-resistant panel.
