## **Product description:**

The surprising shades of green present themselves on the wall like a patina. The noble and inspiring shade will be a unique inspiration and an interesting point in any interior design. The distressed, aged elements of machines and pistons will be perfect for loft-style interiors. The SkinWall collection is a collection of exceptional murals from young Italian designers. Excellent quality, a wealth of patterns and colours are the hallmarks of these claddings. Each is different and each is unique. Ideal for discerning customers who expect originality combined with very high quality material. The SkinWall mural will enrich any interior, whether classic or modern, turning it into a small, private work of art. Skinwall - unusual personalised artwork created to fit your individual wall. Choose from a variety of finishes, smooth interlining, linen-textured vinyl, opalescent vinyl, fibreglass (wood-resistant system for wet areas), wood-resistant panel. Please contact our studio for a quotation or A5 sample.
