Product description:

The French manufacturer's Once Upon A Time mural is aimed at the youngest of children. The delicate pattern in muted pastel colours depicting a fairy-tale forest with animals is ideal for children's arrangements. The mural features multicoloured plants and animals in contrasting colours and interesting, picturesque shapes. The design will stimulate the imagination of the toddler, and the room will add a friendly and pleasant atmosphere great for hours of play and development. An excellent choice for a child's room.
