Product features:

Manufacturer: 1838 Wallcoverings

Collection: Avington

Product attributes:**Product description:**

The original wallpaper in natural tones by the English company 1838 Wallcoverings from the Avington collection is a fresh take on the classic silk moiré motif. The shimmering pattern on a matte background is completely random and resembles the grain of a tree. The wallpaper is mesmerising and eye-catching and will add a touch of extravagance to a classic interior.
