Product description:

The beautiful wallpaper with a motif of multicoloured underwater flora and fauna is an example of simplicity and originality. Vibrant colours and a soft sheen offer a wide range of design possibilities. The Orphee collection by the French brand Casamance includes unique wall coverings inspired by Apollinaire's poetry. In the Orphee catalogue, the image replaces the word and the masters of design replace the great poet. Each wallpaper has a fine texture and a subtle sheen that beautifully brings out the tropical motifs. Orphee is for lovers of sophisticated simplicity. Vinyl wallpaper on a fleece backing. Washable.
