Product description:

A gorgeous stately geometric motif in beautiful complementary colours. It was inspired by workshops in the Midi region of France, where artists inspired by the sun come together. The wallpaper looks as if it has been hand painted with poster paints and placed on a painterly canvas. The artistic nature of the product will make any interior unique. A structure imitating brushstrokes, bold gestures, voluminous solids. Class and uncommon solutionszanie.Produkt will perfectly fit into any interior of a true connoisseur of art. Vinyl wallpaper, the structure imitates canvas - the product is resistant to washing and mechanical damage.
