Product description:

Arte Les Thermes .The wallpaper depicts a stucco pattern that alludes to the decorative plaster that has been used for centuries.This wall decoration will meet the expectations of the most demanding customers. It will be an ideal background for furniture and accessories, but will also fulfil its role as a decoration for one of the walls. Wallpapers resembling rubbed wall plaster will find their use in modern, industrial and modern elegance interiors. The wallpapers were designed by the Belgian brand Arte International, in the Les Thermes collection. Synonymous with luxury and sophisticated good style.
