## **Product description:**

Wallpaper by the Belgian manufacturer Arte made with the greatest precision in terms of patterns and materials from the Marqueterie collection. The wallpaper presents a motif imitating canvas, the double direction of the sisal weave creates a 3D effect. The geometric pattern of a woven labyrinth enriched with the shimmer of gold or silver nici. Inspiracja comes from a traditional woven basket from Zimbabwe called nongo. The pattern looks natural on the wall and has a fine texture. Vinyl wallpaper, resistant to damage.
