Product description:

The beautiful mural by Italian company Inkiostro bianco Antilia INKUAGF2001 will allow you to create unusual arrangements in your interior. The pattern depicts geometric planes with a 3d effect. The geometric blue shades with a gold finish will add elegance and a luxurious touch. Excellent quality, a wealth of patterns and colours are the distinguishing features of these coverings. Each one is unique and inimitable. The murals from Inkiostro bianco are like true works of art, created to the dimensions of the wall. Ideal for discerning clients who expect originality combined with very high quality material. The Goldenwall collection consists of luxurious designs printed on an exclusive material - Gold Leaf and gold-plated vinyl. The products in this collection shimmer and reflect light beautifully. The golden backing adds to their shlechette character. Inkiostro bianco products are created individually for each customer, therefore, the price of an order is determined after determining the size and selecting the desired backing.
