Product attributes:**Product description:**

An exclusive wallpaper produced in Italy inspired by the Italian carrara marble, which is known worldwide. The pattern is arranged in irregular motifs which will give an interesting effect in the interior. The marble has a texture that can be felt to the touch and also has shiny elements, so it will bring elegance and luxury to interiors, illuminating and decorating the wall in a beautiful way. The wallpaper can be used in a wide range of arrangements, both classic and slightly more modern. A product for discerning customers who appreciate high quality design. Wallpaper produced on a fiseline backing, damage-resistant vinyl. Wide rolls of 106 cm.
