Product attributes:**Product description:**

Exclusive wallpaper produced in Italy, inspired by the Italian marble carrara, which is renowned the world over. The pattern is arranged in vertical slates for an interesting effect in the interior. The marble motif has a tactile texture and shiny elements, bringing elegance and luxury to interiors, illuminating and decorating the wall in a beautiful way. The wallpaper can be used in a wide range of arrangements, both classic and slightly more modern. A product for discerning customers who appreciate high quality design. Wallpaper produced on a fiseline backing, damage-resistant vinyl. Wide rolls of 106 cm.
