Product description:

The latest wallpaper collection from the German brand Marburg designed for the youngest. Kids Walls a combination of trends and reliable classics. Beautiful designs in sublime colours ideal for a child's room. Watercolour garlands with balloons and birds will fill a wall in your child's room in an interesting way. They will add lightness to the interior and put the little one in a positive mood. This product will go well with a border with a similar pattern. The wallpaper is made on a fleece backing. Vinyl, washable and resistant to damage and washing.
