Product description:

Acrylic wallpaper from the American brand Wallquest known worldwide. It is characterised by the highest quality and remarkable patterns and colour combinations. The motif resembles tiles with a geometric pattern with a flower symbol. The pattern on a contrasting colour background, the precision of workmanship, as well as the attention to detail only completes the whole composition. The wallpaper with a fashionable geometric pattern will transform any interior it is placed in, giving it a modern and pleasant atmosphere - suitable both for the kitchen, living room and bedroom. Acrylic wallpaper, washable on a cellulose base.
