Product description:

The ideal pattern for computer theme enthusiasts. Something for customers who like cyberspace and need to surround themselves with energetic colours. Interesting flowing lines with a three-dimensional effect. A proposition for the living room as well as the office or hotel. The mural has depth and will optically enlarge the space. The collection of wall claddings by the Italian company Inkiostro bianco is a collection of exceptional murals, which will allow you to create extraordinary arrangements in your interior. Excellent quality, a wealth of patterns and colours are the distinguishing features of these wall coverings. Each one is unique and inimitable. Murals from Inkiostro bianco are works of art, created to fit the dimensions of the wall. They are ideal for demanding clients who expect originality combined with very high quality material. Inkiostro bianco products are created individually for each customer, so the price of an order is determined after determining the size and choosing your preferred surface.
