Product description:

The Danae Caselio wallpaper collection will bring spring into your interior. It is nature and the most beautiful field flowers, buds, fruits and leaves. A close-up of nature that will wrap your walls and bring a breath of lightness and a pleasant atmosphere into your interior. The wallpapers are ideal for interiors rich in colour, texture and pattern. Such designs bring joy to the interior of the bedroom, living room, kitchen, bathroom or hallway. The wallpapers have a canvas structure, the top layer is vinyl which adds resistance to damage.
