Product attributes:**Product description:**

The striking wallpaper was designed by renowned American designer Joanna Gaines in shades of white and red. The pattern comes from the Magnolia Home Vol. 3. collection and depicts overlapping circles, reminiscent of mermaid scales. The wallpaper is an interesting way to complement an interior design, filling it with beautiful colours. Wallpaper with adhesive, washable. Thanks to the modern Sure Strip technology, it is very easy to install and also easy to remove in its entirety without damaging the wall surface when it is time for a new arrangement.
