Product attributes:**Product description:**

The wallpaper from the Essentials Costura series from the Belgian manufacturer Arte is based on thick stitching, patchwork and well-chosen contrasting colours on linen backgrounds. The motif of the product resembles brush marks which gives the Manchas wallpaper a modern and realistic painted effect. Thanks to this, we can see diagonal lines on the wall, which are reminiscent of denim or fabric which adds a light and naturalistic touch to the whole room. The wallpaper comes in trendy, muted and vibrant colours, which are ideal for a wall in the living room or bedroom.
