Product description:

An Italian wallpaper in beautiful shades inspired by the world-famous Carrara marble. The stone motif has a texture that can be felt to the touch and also has shimmering elements, so it will bring elegance and luxury to interiors. The structured patterns covered with glossy elements will work wonderfully with the lighting to give the interiors a glamorous and exclusive tone. The wallpaper can be used in many arrangements, both classic and slightly more modern. A product for demanding customers who appreciate high quality design. Wallpaper produced on a fiseline backing, damage-resistant vinyl. Wide rolls of 106 cm.
