## **Product description:**

The world-famous Carrara marble became the inspiration for this wallpaper collection. The motif has a tactile texture and shimmering elements to bring elegance and luxury to interiors. The structured patterns covered with shimmering elements will work wonderfully with lighting to give your interiors a glamorous and exclusive tone. The wallpaper can be used in many arrangements, both classic and slightly more modern. A product for demanding customers who appreciate high quality design. Wallpaper produced on a fiseline backing, damage-resistant vinyl. Wide rolls of 106 cm.
