Product attributes:**Product description:**

Acrylic wallpaper from the American brand Wallquest known worldwide. It is characterised by the highest quality and remarkable designs, with an interesting combination of colours. The motif depicts an elegant pattern of classic damask with rubbing, which adds a modern touch. Damask on a contrasting colour background, the precision of the workmanship, as well as the attention to detail only completes the whole composition. The wallpaper with a classic with a touch of modernity pattern will add an interesting atmosphere to most interiors. The wallpaper is ideal for a living room or bedroom. Acrylic wallpaper, washable on a cellulose base.
