Product description:

An interesting and timeless pattern of a dark background, delicate geometric lines defining symmetries and beautiful large leaves are all elements of the Phulida mural. The motif will beautifully fill the wall making it interesting and adding character to the whole space. The interior will remain unique and unforgettable. The products of the Italian brand Inkiostro bianco are created individually for each customer, so the price of the order is determined after determining the size and choosing the substrate you are interested in.
