Product description:

This striking wallpaper with ornamental embellishment is from the Damask Resource Library collection by the American company York Wallcoverings. The adobe pattern with floral accents is a harmonious combination of classic and modern. It has a tactile texture and has been decorated with metallic accents, creating an amazing visual effect. The wallpaper will uniquely enliven any interior, being its complete or partial metamorphosis. High-quality wallpaper on a fleece backing. Can be cleaned with a damp cloth (applies to fresh dirt from the adhesive, formed during wallpapering). Resistant to sunlight.
