Product attributes:**Product description:**

Inspired by the beauty of nature, this striking Damask-style wallpaper depicts stylised sugar maple leaves surrounded by scrolling foliage. It comes from the Damask Resource Library collection by the American company York Wallcoverings. It will uniquely transform any interior, adding a fresh touch. Perfect for both the living room and bedroom. Wallpaper of high quality, with water-activated adhesive, washable, resistant to sunlight. Made with the innovative SURE STRIP® technology, which makes it very easy to install and also easy to remove in its entirety without damaging the wall surface when it is time for a new arrangement.
