Product attributes:**Product description:**

Wallpaper with a raffia texture, is a timeless solution to add naturalness to the interior. Raphia is a fibre obtained from the fibre palm *Raphia farinifera* (*Raphia ruffia*). It will be a great alternative to painted walls. The product comes in pastel colours, which will give your interior a harmonious atmosphere. The pleasant texture is also washable and resistant to damage. The wallpaper is suitable for modern, classic, boho and rustic arrangements. The wallpaper is suitable for modern, classic, boho and rustic interiors, and will go well with natural elements such as wood, wicker and rattan. Resistant to mechanical damage and moisture.
