Product attributes:**Product description:**

The modern and inspiring wallcovering 58719 from the Horus collection by the German brand Marburg is a true rarity and design at the highest level. The wallpaper is handmade to a special customer order. Thick durable structure in beautiful intensive colours will give a unique character to the spaces, will be a real decoration. Irregular vertical stripes hand-painted will decorate the spaces of both houses and flats as well as public places. The product presents itself very nobly. It will satisfy even the most demanding customers. The Horus wallpaper collection combines beautiful patterns, each of which is unique and handmade with great care and attention to detail. These wall coverings will make any interior unique. They will bring out the unique character of the rooms. This collection is a wonderful "nod" to traditional craftsmanship and refined design in wall decoration. The use of noble materials and the meticulous handiwork of the craftsmen make the products from this collection unconventional, and each interior with these products will remain in the memory for a long time. Manufacture by the manufactory to individual order. Delivery time approx. 6 weeks.
