**Product description:**

Exclusive wallpaper produced in Italy signed with the name of the renowned designer Roberto Cavalli. Intriguing fleshy pattern depicting an ornament applied on a background imitating leather. The bright luminous background and the golden ornament will beautifully decorate the walls of the interiors. The wallpaper can be used in many arrangements, both classic and a bit more modern. A product for demanding customers who appreciate high quality design. The wallpaper is produced on a fiseline base, vinyl resistant to damage. Wide rolls of 106 cm
