Product description:

Exclusive wallpaper produced in Italy signed by the renowned designer Roberto Cavalli. The inspiration for this pattern was snake skin. Here it is presented in an interesting relief in a geometric motif. Different shades and a glossy texture create an interesting effect on the wall and shimmer beautifully in the light. The wallpaper can be used in many arrangements, both classic and a bit more modern. A product for demanding customers who appreciate high quality design. The wallpaper is made on a fleece base, vinyl resistant to damage
