Tapeta: Tapeta, Próbka

Product description:

A beautiful product synonymous with luxury and elegance in a warm shade of brown. Wallpaper signed with the name of the renowned designer Roberto Cavalli. A magnificent pattern with a 3D effect arranged in vertical stripes. A product for demanding customers who appreciate sophisticated design. Extravagant and elegant patterns will add sophistication and style to a room. The very elegant motif has been applied to a background with a pearlescent glow. An additional luxury is added to the wallpaper by the tactile shimmering pattern, which will harmonise perfectly with the light. The wallpaper can be used in many arrangements, both classic and slightly more modern
