Product description:

Wallpaper manufactured in Italy synonymous with luxury and elegance in a beautiful shade of pearl. A signature product of the renowned designer Roberto Cavalli. The extravagant and elegant patterns will add sophistication and style to the room. The very elegant motif has been applied to a background with a pearlescent glow. Additional luxury is added to the wallpaper by the tactile shimmering pattern, which will harmonise perfectly with the light. The wallpaper can be used in many arrangements, both classic and slightly more modern
