Product description:

The most fashionable flower motif with a Scandinavian feel. Ideal for the living room or a teenager's room. A guarantee of elegance and style in every interior. Thanks to this product every space will be inspiring and light. The pattern will positively affect the mood of the household. RoomMates self-adhesive wallpaper by the American company York Wallcoverings features zoo-like patterns and exotic flowers. The cladding is distinguished by its ease of installation and removal without adhesive residue or surface damage and its versatility in use. Thanks to the modern Peel & Stick technology, it can be used repeatedly. It provides an interesting way to liven up / vary any space or surface, be it walls furniture or electronic equipment
