Product description:

The most fashionable pattern depicting tropical motifs on a black background. The RoomMates self-adhesive wallpaper by the American company York Wallcoverings depicts leaves and exotic flowers. The cladding is distinguished by its ease of installation and removal without adhesive residue or surface damage and its versatility in use. Thanks to the modern Peel & Stick technology, it can be used repeatedly. It provides an interesting way to liven up / vary any space or surface, be it walls furniture or electronic equipment
