Product attributes:**Product description:**

Wallpaper from the French manufacturer Casamance imitation linen. Classics at their best. This solution will be an ideal alternative to painted walls. It will introduce a warm and cosy character to the interiors. The design is made of vinyl, which is characterised by washability and resistance to mechanical damage. The vinyl wallpaper will look very good in any home room. The excellent quality will satisfy the most demanding customers. The wallpaper can be installed without a pattern fit, in which case you will be able to see the individual blocks, or with a 64 cm fit to achieve a homogeneous structure on the wall.
