Product attributes:**Product description:**

The wallpaper series Essentials Costura from the Belgian manufacturer Arte is based on thick stitching, patchwork and well-chosen contrasting colours on linen backgrounds. The motif of the product is reminiscent of coarsely woven linen with alternating vertical and horizontal lines. In this way, a subtle texture can be seen on the wall, which adds a light and naturalistic touch to the entire room. The wallpaper comes in trendy, muted and lively colours, which are ideal for the walls in the living room or bedroom.
