**Product attributes:****Product description:**

A unique wall covering with an exotic leaf motif, this is a beautiful example of the style Versace. The wallpaper catches the eye with its holographic shine and is perfect for decorating one wall. The Versace V collection is rich in colour, shine, tactile texture - everything that is associated with a luxurious and highly recognisable brand. The floral motifs flow seamlessly into geometrics and ornaments, and all the wallpapers are united by Ganni's signature Versace - the jellyfish. The attention to detail and the excellent quality of the vinyl from which the wallpapers are made is a perfect combination. Vinyl wallpaper on fleece. Washable, impact resistant, easy to install. manufacturer: AS Creation
