Product attributes:**Product description:**

This unusual wallpaper from the Imprint collection depicts large turquoise mandalas. The motif is expressive and has a beautiful, deep colour that is sure to captivate fans of vibrant colours. A modern style that perfectly captures the mood of the collection. Ideal for contemporary interiors. Imprint cladding is a collection of geometric, shimmering metallic patterns inspired by contemporary architecture. The calm, natural colours and simple motifs reflect what is currently on trend in modern design. A strong point of the collection is the distinct texture, which gives many of the patterns a 3D effect. Greys, blacks and browns, hecasigons, stripes, shading - plenty of ways to give interiors a non-facial feel. Acrylic wallpaper, washable.
