## Product description:

This wallpaper from the Imprint collection with a pattern of horizontal, irregular striations in grey is the quintessence of naturalness. With its cool, slightly shimmering shade and the distinct texture of the vinyl canvas, the facing offers a wide range of design possibilities. The Imprint collection is a collection of geometric, shimmering metallic patterns inspired by contemporary architecture. The calm, natural colours and simple motifs reflect what is currently on trend in modern design. A strong point of the collection is the distinct texture, which gives many of the patterns a 3D effect. Greys, blacks and browns, hecasigons, stripes, shading - plenty of ways to give interiors a non-facial feel. Vinyl wallpaper, washable.
