Product features:

Brand: Modern Foundation

Manufacturer: Wallquest

Product attributes:**Product description:**

The wallpaper IR71405 from the American company's Wallquest Modern Foundation collection fits perfectly into the original character of the entire collection. Large 3D triangles are arranged in a geometric, shaded pattern. The beige and white colour scheme and delicate golden sheen give the cladding an impression of elegant simplicity. An ideal wallpaper for those who like subtle minimalism, it will certainly give any interior a unique character.
