# Wallpaper Wallquest Modern Foundation geometry metal IR70502

**Product price:**

~~zł436.99~~ tax included

**Product codes:**

Reference: IR70502

EAN13: -

UPC: -

**Product features:**

Manufacturer: Wallquest

Collection: Modern Foundation

**Product attributes:**

## **Product description:**

Wallpaper IR70502 from the American company's Wallquest Modern Foundation collection fits perfectly into the original character of the entire collection. Large, seemingly aged metal plates are arranged in a geometric pattern of triangles. The graphite-grey colour scheme and the pronounced abrasion give the cladding a raw and slightly industrial feel. Ideal for those who like cool minimalism, the cladding will certainly give any interior a unique character.
