
Wallpaper Wallquest Modern Foundation modern wood IR71500

Product price:

~~zł436.99~~ tax included

Product codes:

Reference: IR71500

EAN13: -

UPC: -

Product features:

Manufacturer: Wallquest

Collection: Modern Foundation

Product attributes:

Product description:

The IR71500 wallpaper from the American company's Wallquest Modern Foundation collection fits perfectly into the original character of the entire collection. Large, horizontal panels with a motif reminiscent of wooden, shaded staves are arranged in a wide, rectangular pattern. The black and grey colour scheme gives the cladding a slightly dark and very natural feel. An ideal wallpaper for those who like subtle minimalism, it will certainly give any interior a unique character.
