Product codes:

Reference: 49532

EAN13: -

UPC: -

Product features:

Manufacturer: Arte

Collection: Gitane

Product attributes:**Product description:**

Wallpaper by the Belgian manufacturer Arte made with the greatest precision in terms of patterns and materials from the Gitane collection. The wallpaper presents a geometric pattern on a linen background, which is a surprising combination of modern style with a classic complement. The motif refers to artisanal block printing on fabric, but in a contemporary interpretation. The pattern will work well in eclectic interiors that appreciate ethnic, artistic expression. Vinyl wallpaper.
