**Product attributes:****Product description:**

This vinyl wallpaper with a unique geometric pattern with glitter comes from the Affinity collection by Belgian manufacturer Decoprints. The product will add a modern character to the interior thanks to a wide range of colours with an interesting texture and 3D effect. The wallpaper is ideal for decorating the walls of a living room, office or bedroom, adding an interesting accent to both modern interiors and those with an industrial character. Vinyl wallpaper on a fleece backing. Washable. Resistant to damage.
