Product attributes:**Product description:**

This vinyl geometric wallpaper with a unique pattern comes from the Affinity collection by Belgian manufacturer Decoprints. The product will add a modern character to the interior thanks to the geometric abstraction with an interesting texture imitating concrete. The colour range is based on many colours, which contrast with each other, attracting attention. The wallpaper is ideal for decorating the walls of a living room, office or bedroom, adding an interesting accent to both modern interiors and those with an industrial character. Vinyl wallpaper on a fleece backing. Washable. Resistant to damage.
