Product description:

Natural wallpaper by Arte with a banana leaf pattern. An intricately crafted design using jute cord, hand laid to create a beautiful minimalist design. The pattern can be felt under the fingers, the threads create a botanical pattern with a dense distribution. The design will work perfectly in tropical, botanical style arrangements and will also be a great accent in modern and stylish interiors. The floral motif will work well in the living room, dining room, bedroom and even in the boat. Synonym luxury and sophisticated good style. The product is resistant to washing, the thick vinyl layer is resistant to mechanical damage. Wide rolls of 70 cm.
