Product description:

A striking mural with a floral pattern from the Murals Resource Library Volume I wallcovering collection by the American company York Wallcoverings, inspired not only by the beauty of nature but also by impressionist painting. It will uniquely transform any interior, giving the walls depth, intensity and originality. The mural, 3.85 m wide and 3.11 m high, consists of 6 panels 64.14 cm wide. The price quoted is for one mural, i.e. six panels. Washable mural with very good colour fastness.
