Product attributes:**Product description:**

This vinyl wallpaper with a rubbed texture comes from the Tahiti collection by Belgian manufacturer Decoprints. The product is a coordinating proposed wallpaper from the collection, but will also work well as a decoration in its own right. Shades in natural earthy colours will complement the structural finish of the vinyl wallpaper. The product is ideal for decorating the walls of a living room, office or bedroom, both for modern interiors and those with an industrial character. Vinyl wallpaper on a fleece backing. Washable. Resistant to damage.
