Product attributes:**Product description:**

A vinyl, three-dimensional wallpaper giving a 3D effect on the wall comes from the Affinity collection by Belgian manufacturer Decoprints. The product will add a modern character to the interior, and the geometric effect will optically enlarge the room. The colour range is based on neutral hues, which are suitable for both modern and industrial interiors. It is ideal for decorating the walls of a living room, office or bedroom, adding an interesting accent. Vinyl wallpaper on a fleece backing. Washable. Resistant to damage.
