The hand-painted motif presents itself like a stamp. Multiplied and repeatedly reproduced it will give an interesting effect on the wall. The wallpaper was designed by an excellent and respected illustrator Anna Bond, founder of the RIFLE PAPER CO brand, who created a beautiful collection of wallpapers in collaboration with the American manufacturer York Wallcoverings. The product will decorate the walls of houses and flats in a fascinating way, whether decorated in a rustic, boho or eclectic style. The subtle pattern will be an interesting addition to many interior arrangements. It will make the interiors more cosy.
